$\frac{15.67+7.17}{2} \times 35.5$

The above PP act notice addressed to us refers to measuring 701 sqft encroachment on Govt land B-4 bearing Survey No. 280/2244 (Pt) ^{enclosure with} ~~adjoining~~ to my house No. 533.

In this connection I have already cleared the position of this 701 sqft open land ~~adjoining to my house No. 533~~ being termed as B-4 Govt land.

The above PP act notice to us refers to encroachment of Govt land B-4 Sfs. 280/2244 (Pt) ⁴⁴⁸⁵ measuring 701 sqft ~~containing~~ on Public Premises.

In this connection I have already cleared the position of this 701 sqft open land being termed now as Public Premises.

The land comprising S.No. 280/2244 ^{4485 (Part)} class B-4 is said as Public Premises and ~~construction~~ erection / construction open court yard measuring $15\frac{1}{2} + 24 \times 35\frac{1}{2}$ ~~unauthorised~~ to encroachment of Public Premises

$$\frac{\pi}{4} \times \frac{22 \times 22}{144} \times \frac{34}{12} = 7.5 \text{ cft}$$

$$7.5 \times 20 = 150 \text{ kg}$$

$$x \times 22 = 200$$

$$9 \text{ cft}$$

$$x = \frac{200}{22}$$
