

6 **House tax of both houses paid throughout on demand notices and nothing is due up to 3/2006. It is surprising that govt. is realizing house tax since origin of both HN 532 & 533 on one hand and on other hand same govt. unscrupulously serving encroachment notice for a certain part of their land belonging to the same HN 532 & 533 since beginning is really unjust.**

7 **Assessed house tax realization by demand notices ever since beginning is a solid proof that HN 532 and 533 are free from all encumbrances by title, possession and tax payment. The owner enjoys legitimate title, possession throughout on the combined area 1525sft of both the houses since beginning. Encroachment charge aroused by overseer's misleading report is meaningless hence it is requested to be dropped under PP act for good future.**

8 My late father Sh.Narain s/o Gordian had already submitted all original documents to your office in his life time and the same have been seen intact by the undersigned while going through the file entitled "HN 532 / 533 Narain s/o Gordian" being maintained in your office.

9. I request your honour to grant acquittal of this petty case of the year 1999 pending long under PP act. Sir I'm senior citizen humbly pray that **enough delay already passed in deferring hearings in succession caused great concern so now early disposal is requested in view of my health conditions at 74 which however prevent presence on hearing dates.**

Thanking you highly.

Yours sincerely
