Sub:- Revision of Assessment Regarding my
House No 533 & 532

Ref: Your No. 277 dated 13.2.06

Sir, I regret to state that being outstation
I could not submit my objections to the
above said reference.

Therefore I submit my objection herewith that
any increase in assessment is not justifiable because
the premises is lying totally ^{unproductive} vacant and there is no
electric and pipe connection in the house as such the
rental value is zero.

In such circumstances it is very difficult for the
retired person to cope with any increase in assessment
value.

Hope this would be treated favourably and
obligedly. Thanking you Sir, Yr

Yours Sincerely
