Narain owner of House No. 532+533
533 Ramdayal Mohalla
Nasirabad (Rajasthan)

E.O/Sir,

As per S. Plan of 1935-36, there is no house no. 532 and in G.L.R. Register, house no. 532 has been ~~been~~ declared as a class B-4 land.

From the story of file it has been found that, at the time of survey the house (building in question was not existing and nobody claimed the land there after it was classified as B-4.

It is not understood how the owner is being charged house tax for the H. no. 532.

when no such house exists on the site
