The Cantonment Executive Officer, Nasirabad

Dear Sir,
Subject: - Construction over open land
of House No: 532 Nasirabad Cantonment -

Reference your letter NO: 1922 of 7-11-70 received on
of 9-11-1970

I respectfully beg to state that I had already mentioned
in my applications of 5/9/69 + 9/11/1970 that the Transfer by
Sale of House No: 532 Nasirabad Cantonment approved
in favour of my Father Shri Gordan about February 1923
and the Sanctioned document should be filed in
your Office File of the House No: 532. The Cantonment
authorities had accordingly been charging the Property
and Water taxes upto March 1966 and further very wrongly
increased to Rs 12.30 for the open land only from April
1966 to March 1969 which is all recorded in your office.
It was then ceased to have been charging from April
1969 onwards by the Assessment Committee

However as required a copy of an application Feb 1923
for Transfer by Sale of House No: 532 by my Father
Shri Gordan duly endorsed by The President Cantonment
Committee Nasirabad for Sanction of The Officer
Commanding The Nasirabad Brigade under Resolution
No: VI of 29-1-1923 as available with me is Produced
and attached herewith and the charging of above
quoted taxes shall be quite evident from your office
Records as well as Receipts given to the owner of the House.
If required most of these may be Produced as available
with me now. For favour of your further disposal as
stated in your above quoted letter please.

Thanking you please.

Nasirabad

Yours faithfully
