The Deputy Director
Military Lands & Cantonments
HQ Southern Command,
PUNE - 1

Through : The Executive Officer
Cantonment Board
NASIRABAD (RAJ)

Subject : Construction over open land of House No 532 Ram Dayal
Mohalla, NASIRABAD (RAJ)

Sir,

Reference : My representation dated 5 Sep 1965 submitted to the
Executive Officer Cantt Board NASIRABAD (RAJ) for reclassification of the above
quoted land in favour of the undersigned owner.

I respectfully beg to invite your kind attention to my above quoted
representation dated 5 Sep 1965, copy of the same submitted to your goodself
by the Executive Officer Cantt Board NASIRABAD. I had made sufficient
reminders and personal interviews to the Executive Officer including the
Military Estate Officer, JAIPUR at NASIRABAD and JAIPUR but no finalisation
for the reclassification of the land has yet been known or understood
by me though sufficient reminders have been made to the MEO JAIPUR and to you
by the Executive Officer, NASIRABAD for this. I have, therefore, to state
and request to kindly expedite the reclassification of the land at your
earliest without further delay in favour of the undersigned owner who had
purchased the house No 532 in 1922. True copies of the necessary documents
as sale deed, transfer of sale and information of the taxes having been
paid up to 1972 have already been submitted as demanded in support of this
case. Since the house No 532 was purchased as stated above, I could get a
chance to have submitted the construction plan during 1934 for this open
land, so gradually made through the rains, including extension of my House
No 533 but later on in my absence due to outside services at Bikaner Railway it
it had been objected for the construction over this open land of House No 532
being shown as B4 land through the Re-Survey, when I was at ~~outstation~~ outstation,
in the G.L.R and so the construction was held up. Consequently when my
continued 7 years re-employment service in the Railway Loco Component Works
and the Diesel Locomotive works VARANASI ended at the end of 1963 I had
further requested for the construction over this open ~~land~~ land of house
No 533 but again denied being as B4 land unless it was to be reclassified
as stated above. I had therefore further submitted my above quoted
representation dated 5 Sep 1965 for sanctioning the very reclassification
of the land very early in favour of the undersigned legal owner when the
necessary documents etc submitted as stated above. Now I am at loss to
understand that what has prevented the Right reclassification of the land
in favour of the owner as not yet ~~to~~ have been ordered by the competent
authorities. Will your goodselfs therefore very kindly expedite the
necessary sanction at your earliest being quite justified for it or what
further clarifications, being not understood, are still needed for the
very sanction even after so long time and at least after the above quoted
representation dated 5 Sep 1965.

Thanking you in anticipations.
